## Fr. Jim's Jottings

### We're Together Again!!!

Next weekend St Joe's and St Mary's come together to celebrate Mass and have a picnic at Pierce Park...almost like the good ol' days of 1859. Well, that's when it all began. Irish and German immigrants established St Mary's Parish in 1859. They got along for a few years, but then the Germans began complaining that they would like to have a priest say Mass in their own language.

If the two nationalities had any picnics together in those early days, it didn't last very long. Because of too much arguing and bickering taking place, Archbishop Henni of Milwaukee told the Germans to leave St Mary's and build their own church. That happened on March 19, 1867. Even though St Joseph Church was built only two blocks away, I don't think the two parishes had Mass or picnics together for many, many years.

It's often said, "time heals all". Well, here we are 159 years later and we're the best of parishes and we're the best of friends! We appreciate each other and that shows itself in our annual get together.

Please, come next **Saturday to Pierce Park at 4:15pm** and help us thank God for all that's happened between the two original parishes of Appleton. It won't be the same without you there!

### Flowers for the Blessed Mother

Thanks to those who are bringing flowers and putting them in the Blessed Mother Shrine behind our altar. Each week we put vases there for your use. Thanks for your devotion to Mary.

### New Altar Servers

It's that time of the year when we invite anyone currently in 4<sup>th</sup> or 5<sup>th</sup> grade to become altar servers. We will have training sessions soon. If you are interested in this, please let Fr Jim know with a phone call (419-8738) or write a note and drop off at office. Thank you.

### Everyday Stewardship

What power lies in a name? Have you ever met a "David," "Holly," or "Jack" and said, "They don't look like a David, Holly, or Jack"? Sometimes our name actually adds something to our person. Peculiar people sometimes have peculiar names. Some people of tremendous strength have names that we deem strong as well. Sometimes we give nicknames to people because of some attributes they exhibit.

In the Bible, names mean a lot. Saul changes his name to Paul when he converts. Adam means "man," as in the first man. Eve means "to live" or "to breathe." Elizabeth took great care to name her son John as God commanded, even if other family members did not understand why such a unique name not found in their lineage. It was a unique name for a child who had a unique future of preparing the way for the Messiah.

We have our baptismal names, our surnames, our Confirmation names, and our maiden names. But all disciples of Jesus also bear the same name: Christian. People may wonder what does a David, Holly, or Jack really look like, but they should never wonder what a Christian looks like. Unfortunately, too often those who bear this name don't resemble the characteristics embodied in the name. Simply, a Christian looks like Christ. A Christian acts like Christ. A Christian truly is Christ to a world that seeks to uncover the true meaning of his name. - Tracy Earl Welliver, MTS

### WDDWDD (Why We Do What We Do)

**How many years have St Joe's and St Mary's had an inter-parish Mass and picnic together?** That's a very good question, but I'm hoping some of our older parishioners can give an accurate answer. Could this be the 25<sup>th</sup> anniversary of this annual event?

### Feast of Peter and Paul, Apostles (June 29)

Lord Jesus Christ, you called Saint Peter from a life he knew, to follow you alone, giving up all he'd known before. Despite his failings and lack of faith in you and himself, you entrusted to him the keys of the kingdom of heaven, granting him such faith that he embraced martyrdom. You called Saint Paul from the life he knew, a life of such zeal that he became misguided, hurting you by hurting those who followed you. You changed him from an angry persecutor to the greatest missionary the Church has ever seen, and to one who welcomed death as the means to see you. When I am called to do your will, change my spirit and grant that I can give up the little you ask of me, when Peter and Paul gave so much. Amen.

The Diocese of Green Bay's goal is to fill a shipping container with items that are needed in the Dominican Republic and Haiti. The past two years the diocese has filled shipping containers with 37 tons of items.

In the back of church are boxes with wish lists of items needed. This collection will go until the end of August. The items will be shipped in October. If you have any questions contact Deacon CF at 734-7195 or by e-mail at [cfdedman@saintjosephparish.org](mailto:cfdedman@saintjosephparish.org)

## Collecting for a Cause

The Appleton Police Department has introduced a "pop tab" collection to help raise funds for Ronald McDonald House of Milwaukee. One of the officers has built a collection box to collect the valuable tabs from aluminum soda cans. Since 2000, the Ronald McDonald House has generated \$360,000 from the collection and recycling of these easy-to-collect pieces. Help them out by donating your tabs in the lobby container at the police station.. Thank you for your support.

## CONGRATULATIONS!

**Xavier High School makes Catholic Honor Roll again.**

St. Francis Xavier High School was recognized as a Catholic Education Honor Roll School. This national Honor Roll program is directed by the Cardinal Newman Society, Manassas, VA, and has recognized over 300 high-performing Catholic high schools nationwide since the program's inception in 2004. Xavier is currently the only Catholic high school in Wisconsin to attain this designation, and has been honored since 2007.

To achieve this honor, Xavier engaged in a thorough internal and external review of its comprehensive program offerings. This recognition reflects Xavier's strong integration of Catholic identity, including the integrity of its mission, the strength of its community, and rich spiritual life. The Honor Roll recognizes the school's integral formation of the minds, bodies, and spirits of its students as well as its comprehensive academic program which seeks to instill a Christian vision of the world, human wisdom, and culture.

Deacon Ray DuBois, president of the St. Francis Xavier Catholic School System, remarked, "It is a great affirmation for Xavier High School to be recognized by the Catholic Education Honor Roll. This distinction confirms our commitment to the mission of Catholic education. I applaud the leadership of our principal, Mike Mauthe, and all of our administrators, students, parents, faculty, and staff for their hard work in assuring that a strong Catholic identity permeates all that we do in preparing our students to be future leaders in both society and the Church." In addition, he said, "This honor can be shared with all of our Xavier campuses, from preschool through high school. We are truly a unified community of learners, believers, and friends."
