# ST. JOSEPH PARISH

## Fr Jim's Jottings

These are interesting days for our Diocese and our parish. Over the next couple of years every parish is to put together a "strategic plan" of 3-5 goals. The 153 parishes are divided up into three groups. The first group is beginning this fall and St Joe's is part of that. The other two groups will follow in early 2019 and in mid 2019.

This effort is called "Parish Mission Planning". There are a dozen of our parishioners on this committee: **Barb Mauthe, Jim Sweeney, Jane Wilz, Bob Biebel, Mary Toppins, Genevieve Gara, Jenny Schubring, Tom Dechant, Vivian Wieseckel, Greg Linnemanstons, Julie Lillge, and myself.** We have had two meetings with four more to go. We've been looking at surveys, geographical data, and our parish resources to see if we can agree on 3-5 goals for our parish to implement over the next couple of years.

It will be quite a feat if every parish has settled on goals to achieve. Often parishes simply go on their merry way without much focus on some specific targets. Our Diocese and St Joe's will strive to achieve some very clear goals over the next couple of years. PRAY FOR US!

## Memorial Gift for Millie Mattice

This past week the parish received a very generous gift of \$1,300 in memory of **Millie Mattice**. Millie was a lifetime parishioner of St Joe till she died on September 19<sup>th</sup> at the age of 92. We thank her husband, Arden, and his family and friends for keeping her memory alive here at St Joe's.

## Rosary During October

Throughout the month of October we will pray the rosary a half hour before each of our Masses, except for Sunday at 6:30pm. We do this in honor of our Blessed Mother and to pray in behalf of the needs of the world. Come and join us a half hour before Mass.

## A Prophetic Voice: How Pope Paul VI Foretold the Future ... And Why It Matters

Presentation by Best Selling Author, Speaker & World Expert on Saint John Paul II's *Theology of the Body*

Misguided, unpopular, out of touch with the times ... all criticisms aimed at the man and his famous encyclical which **Christopher West** calls "the most controversial church document of modern times." And yet, as Pope Paul VI is elevated to sainthood and *Humanae Vitae* turns 50, both are heralded for their foresight on how birth control and the sexual revolution would impact the family, marriage and respect for women. If you've always wondered why the Catholic Church teaches what it does, you don't want to miss this presentation!

## WWDWWD (Why We Do What We Do)

**What's the first thing we do after the Opening Hymn?** The first thing we do is confess our sins. When you think about it, isn't that the perfect way to begin Mass? Before we do anything else, we ask God and our neighbor for forgiveness of our sins. Once we have settled our differences, then we can move on with the rest of the liturgy.

## LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Are we content and satisfied with the bare minimum and essentials of our faith, or do we desire excellence and proficiency? The Ten Commandments represent the minimum and, if we are honest with ourselves, are pretty easy to keep. The fullness of the Gospel, however, is another story. Truly living as Jesus taught often comes with great self-sacrifice, self-emptying, and possibly leaving the things of this world behind. Are we ready to pursue this kind of life? God wants us to live and love abundantly not superficially. Love asks that we extend ourselves beyond the status quo and the bare minimum and venture into that which is risky, countercultural, and even radical. What we possess can no longer be important. When Jesus laid this out before the rich young man, he went away sad because he had much. When Jesus lays it out before us, how do we react?

*We understand that all human life - including every child in the womb--- is a gift to be received, cherished, and served, not abused, not manipulated, not degraded, not destroyed.*
