## REACHING IN, REACHING OUT, REACHING GOD

### Br. Ray's Reflections

I hope everyone had a relaxing and enjoyable 4<sup>th</sup> of July. I continue to hear, "this is what we did before COVID," and it inspires me to keep trying to revitalize the parish after the effects of the pandemic. This weekend, we will have parishioners, Annette Hovie and Steve Wuerger, speak to us about bringing back the Family Life Committee. It has been in hibernation these last years. This is the committee that planned activities to bring parishioners together. It's one of the FUN committees! So often, the only time we come to church is for Mass or meetings. It's important for the health of the parish to find ways to relax and just enjoy one another. The good part of revitalizing our committees is that we can be creative in how we want them to look in the future. As we hear Annette and Steve speak at the Masses this weekend, I ask each of us to be creative and think of possibilities. We all have ideas of how to have fun. We would love to hear those ideas! I understand that we are all busy with many activities, so I don't want another obligation for anyone. I just want us to have some good memories and enjoyable moments with each other. Please help us as we continue to revitalize St. Joe's after the pandemic. Let's celebrate the goodness of this parish community!

### St. Joe's Fall Festival!

Plans are underway for our Fall Festival on September 9 & 10.

One of the committees, **the Raffle Basket Committee**, has already started planning and needs your assistance. The committee has requested that if you are planning to donate a theme basket or any new or handmade individual item, please

let the committee know before Wednesday, July 12 by sending information about the themed basket or item to Terri Miller at: 920-733-5416 or [teddim@ameritech.net](mailto:teddim@ameritech.net).

Please note that, as always, there will be an opportunity to donate specific items needed for baskets in exchange for pumpkins in July.

### Do you can jams, jellies or something else special?

We are seeking some of your special efforts for our canned items sale. Would you be willing to donate a few jars? Your fellow parishioners would really appreciate your efforts! Unfortunately, due to changes in health codes and limitations on refrigerator & freezer space, only canned goods **NOT** needing refrigeration or freezing can be accepted. You are an amazing steward of our earth by creating these items and using our natural resources so well! Thank you in advance for your contributions!

### Attention St. Joe's Crafters

It's time to start working on your projects for our Fall Festival! We are blessed with so many wonderful crafters who each year donate beautiful hand-made items. Please no pictures or artificial flowers.

Thank you so much in advance for your cooperation and support!
